

Supply List

Featherweight Spa

Your Featherweight with all parts needed to sew

Old towel (handtowel size is best)

Flashlight or freestanding adjustable gooseneck bright light

WD40

Sewing machine oil

Singer sewing machine lube

Nylon tulle – about 2” by 20” or so

Screw drivers – tiny, medium, and wide flat head

New needle

Scrap fabric

Thread – possibly have same weight but different color in bobbin

Old coffee cup, glass, or magnet to hold screws (some are very small)

Sewing machine lint cleaner brush, small soft paintbrush, or old toothbrush (soft bristle)

Long tweezers or hemostat

Be sure to wear old clothes, you will be working with oil and cleaning gunk out of your machine.
