

Two Techniques in One - Topaz

Instructor: Linda Sullivan of Colourwerx
Full Day Workshop

Workshop Descriptive: Learn the beginning basics of foundation piecing plus refine your precision piecing skills with this '2 technique in one' workshop while making this stunning quilt. Linda will guide students step by step and demo her time tested, stress free tips and tricks for paper piecing and for perfect precision piecing! There are 2 different blocks we will make in class - students should choose concentrate on making several pieced blocks and at least (1) fully paper pieced block in the workshop.

MATERIALS NEEDED:

Pattern : Topaz Patten CW-133 by Colourwerx

(A complimentary pattern will be given to each student at the workshop)

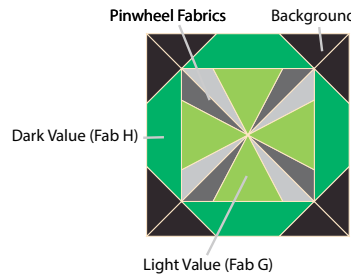

Fabric Requirements for the Workshop:

These fabric requirements are the minimum needed for class which will make (4) Pieced Blocks and (4) Paper Pieced Blocks. This can finish into a nice table runner. Start by choosing (2) colors (i.e.: green and yellow) that are complimentary to each other and then select several different tones or values in those (2) colors. If you are planning on making the Lap Size quilt (pictured above), please refer to page 3 of the supply list.

Refer to diagram at right -

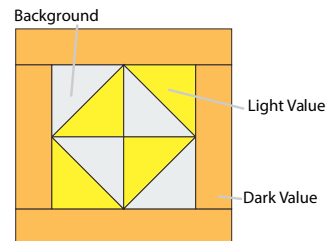

1. Block A - (Paper Pieced Block with Pinwheel): - for (4) blocks --

- a. Pinwheel Fabrics (choose 2 fabrics): 1/4 yard each fabric
- b. Background Fabric (black in photo) - 1/2 yard
- c. Colored Fabric (greens in photo) - (choose 2 fabrics):
