

Sassy Bag Pattern from Lazy Girl (pattern is included in Kit) - Intermediate

Class description

Sewing Skill: Confident Beginner - A confident beginner who has made **at least two bags** from any sewing pattern. You will need the ability to sew a zipper, attach decorations and Velcro and know how to use a walking foot. Other than that this is a very straightforward project.

This unassuming little cutie really packs a wallop – and a number of other things! This purse is ideal for vacations or traveling light. It's nicer than a fanny pack, less bulky than a traditional purse, and will lie securely next to your body. The 2 inside pockets are big enough for a cell phone, check book and glasses. There is also one pocket on the back.

Mary and Jennifer are experienced bag makers and will share many of their tips for making successful bags.

Supply List

Kit Fee \$7.00. Payable to the instructors when you get to class. (Includes enough supplies to make 1 purse strap/ i.e. strapping, sliders, swivel hooks and a pattern)

3 coordinating fat quarters of fabric or 1 yard cut from the bolt (42")

12" x 45" thin quilt batting or fusible fleece

12" x WOF iron on interfacing (i.e. décor bond or similar)

11" of ¼" wide elastic or similar

2" of sew on Velcro to coordinate with fabric

Thread to match your fabric and black thread

4" x 6" piece of thin cardboard or template plastic

Decoration ideas – Ribbons, beads, ¾" or larger buttons (no-shank preferred), fringe, applique, embroidery designs of your choice (no larger than 5"x7"), fabric paint, etc.

Please bring your sewing machine with foot control and cord. Your machine must be able to do a zig-zag stitch.

Put a new needle in your machine, a Demin needle will be perfect for this project.

An all-purpose foot for your machine. A walking foot if you have one.

Pins, scissors, thread snips and marking pen.

Rotary cutter, ruler and cutting mat
